

10 Day Medjugorje Pilgrimage

All of our groups are hosted by the visionary Mirjana Soldo; she and her husband graciously organize our lodging, and serve as a source of spiritual support, joining their hearts with ours in thought and prayer during our time together. We also have a local English-speaking guide, Miki Musa, whom we partner with to assist our groups during their time in Medjugorje. Additionally, when possible, we have a Catholic priest act as our spiritual director. The visionaries in Medjugorje tell us that no one comes to Medjugorje by accident; rather we are each called individually by Our Lady. If you feel a calling to Medjugorje, then take the step necessary to answer Her loving invitation! Please join JMJ Pilgrims on our next miraculous spiritual retreat.
